**Utilizing Your QB in  
Your Run Game**

# Introduction

- ▣ Great Honor and Privilege
- ▣ Mentors – Pat Ryan
- ▣ Metamora to Sycamore

# Offensive Philosophy

- ▣ Double Wing (1993-2004)
  - Not as multiple as we needed to be formation wise
  - Not enough answers to teams that were better
  - We still incorporate DW in our offense
- ▣ Power Gun (2005 – Present)
  - Endless formations
  - Can still run everything we liked running in DW
  - Allowed us to be more balanced run vs. pass
  - Gave us a better chance vs. better teams

# Why Run the QB?

- ▣ We needed someone else besides our FB
- ▣ Allowed us to keep teams from always playing 8 vs. the run
- ▣ Gave us problems
- ▣ There is risk

# QB Runs

- Power
- Sweep
- Trap
- Belly
- Lead
- Draw
