The location of the ***IHSA Coaches & IHSA Officials Hospitality Area*** at the 2015 IHSA State Football Finals at NIU Stadium, DeKalb, Illinois will be on ground level and under Section G on the press box (west) side of the stadium. This location is accessible by entering the northernmost ticket gate on the west side of the stadium and proceeding into the north commons (lobby) area underneath the stadium seating (where the various food and merchandise vendors are located). Once in the north commons area, look for a “tunnel passageway” to your left, just past the men’s restroom entrance. Go up and down the ramps in this tunnel to get to the hospitality area. If necessary, identify yourself as either an IHSA coach or an IHSA football official. Hopefully, some signs will be put up to help direct your way.

Note: The NIU golf program now occupies the room in which the hospitality area was located two years ago. As a result, this year’s hospitality area is located in an enclosed, but unheated space and does not have a TV in it. There will be some tables and chairs where individuals may sit and congregate.
