

State Champions Posters

Around 1982, I had the Art teacher at Marion High School with a few of her students design a poster for our organization to honor our state champions at the Spring Clinic. Mrs. Kay Howell and her students came up the poster showing the state of Illinois with IHSFCA across the top and then a listing of the teams in that particular class that made the state playoffs, their conference and their coach. The state championship teams were listed at the top of the poster, followed by the 2nd place teams, and then in descending order, the remaining teams.

The art students at Marion High School continued to make all posters until 1991. It was at this time that the IHSFCA took the posters and started to have them made. Coach Ryan from Sycamore takes care of ordering the posters each year for presentation at our annual clinic. The posters are displayed at the Clinic and then given to the state champions.
